

Celebrating our Veteran Programs!

MAERB (formerly known as the CRB) has been in existence for almost 54 years. The first programs were accredited back in 1969, before many of you were born. Once a year, our **Tipping Point** will celebrate those programs that have been CAAHEP-accredited the longest.

Below is the list of the top 36 currently-accredited programs with the longest-running accreditation, including the school name (city and state), the name of the current PD, and the number of years of accreditation.
